

CAMP KANUGA

Explorers Expeditions Program

The Grand Wild Expedition Schedule

*Connect with the many levels of the Blue Ridge Mountains on our Grand Wild Expedition! Explorers begin with a four-day hike along the Appalachian Trail, gaining valuable knowledge about trail etiquette and navigation. Explore the Blue Ridge from a whole new perspective on a zip line canopy tour. Next, experience **camping in Worley's Cave**, filled with many different tunnels, caverns and cathedrals to discover. The trip concludes with an exciting day of class four rafting down the Nolichucky River. Your camper will leave with a broader experience of creation, a community of lifelong friends and the memories of a lifetime.*
