Thank you for choosing Kanuga for your upcoming stay. We look forward to welcoming you to our peaceful mountain conference and retreat center. Here are a few visit tips and extra necessities to consider bringing to help ensure your visit is comfortable and successful. Please contact us with any further questions.

### What to wear:

Our campus is located at 2,300 ft. above sea level, and has four traditional seasons. Please check our weather (Hendersonville, NC, 28739) before arriving to ensure you've packed correctly. Depending on the season and type/length of visit, please consider the following:

- **Bring a mix of items for warm days and chilly evenings.** Even in the middle of summer or winter, the weather at Kanuga can fluctuate quickly. Check the weather forecast for Hendersonville, NC frequently before departing.
- **Comfortable walking shoes.** Many buildings are connected by outdoor footpaths.
- **Hiking shoes.** We have 20 miles of wonderful hiking trails.
- **Bathing suit and beach towel.** Kanuga Lake is open Memorial Day-Labor Day for swimming and boating.
- **Umbrella or rain coat.**
