

# KANUGA

2019 Donor Appreciation

# Thank You

September, 20 2020

Dear Kanuga Community,

Let's go back for a few minutes to 2019. All seemed right with the world for the most part. Groups of all types came to Kanuga. Kids went to camp. Guest Period was its usual celebration and the Mountain Trail Outdoor School was teaching students how the creation around them worked. To support these efforts, you gave. You gave \$1,414,693 to Kanuga's programs. \$796,726 was donated to the annual fund for general operating expenses. An additional \$617,967 was donated to specific projects and programs. Thank you for this wonderful, much needed, investment in our mission. We are very grateful.

Now with the crisis of an international pandemic, 2019 seems so long ago. We have made the decision to not publish a printed magazine with the list of donors in it to save the expense. Within this digital publication are lists of donors arranged by the new gift recognition clubs our Board of Trustees voted to implement at the October meeting. While every single gift is important and valued, we also want to hold up our leadership giving. We give thanks.

Please remember that these lists **only reflect gifts made in 2019**. In a few weeks, we will also publish (digitally), the list of donors that encompasses gifts made in the first few months of 2020.

If you have any corrections, questions or comments, please contact me.

With great appreciation,

Jim Hackney  
Executive Vice President for Advancement  
jhackney@kanuga.org
